Hymn Note....

Pastor Szetela introduced our congregation to the hymn, "Whate'er My God Ordains is Right." The words were written in 1675 by Samuel Rodigast.

200 yeas later, the hymn was translated from German to English. In 2018, musicians Matt Merker and Keith Getty set the text to a new melody.

We sang this hymn June 15, (I Thessalonians 2:13, II Timothy 3:16-17), and on June 29 (Romans 11:33-36, Titus 2:11-15). Read again the scripture lessons and the hymn message - (the lyrics of the hymn are easy to find online).
