A Note from the Pastor

CBFC Family,

As May and June approach, it's hard not to feel excited about the start of summer. I'm really looking forward to this season, not just for the beautiful weather, but even more for the time we'll spend together as a church.

I'm especially excited about the upcoming church-wide teaching series in May (on the 10th, 13th, and 17th), where we'll be diving into what Scripture says about the two offices of the church: deacons and elders.

While learning what the Bible teaches is always meaningful, what excites me most is what this will mean for our church family. As we grow in our understanding and alignment with Scripture, we believe this will open the door for greater care, stronger leadership, and deeper support within our congregation.

Our hope is that, through biblically grounded deacons, every need, whether expected or unexpected—will be met with genuine care and excellent service. Likewise, through biblically grounded elders, spiritual needs will be met with wisdom, guidance, and faithful counsel rooted in God's Word.

I truly look forward to walking through this together. I've been praying for this season and can't wait to see how God works in and through our church. I hope you'll be able to join us for these important times of teaching and growth.

With love and prayers,
Pastor Steven Szetela
